

South Ascot Village School

Code of Conduct for Employees in School

1 INTRODUCTION

The governing body is required to set out a Code of Conduct for all school employees. The following code has been negotiated with trade unions and is recommended for adoption by the governing body.

In addition to this policy, all staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

Employees should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.

2 PURPOSE, SCOPE AND PRINCIPLES

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the pupils/students within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

This Code of Conduct applies to:

- all staff who are employed by the school, including the Headteacher;
- all staff in units or bases that are attached to the school.

The Code of Conduct does not apply to:

- peripatetic staff who are centrally employed by the LA;
- schools meals staff employed by Pabulum Catering or by an external contractor;
- employees of external contractors and providers of services (*e.g.* contract cleaners).

(Such staff are covered by the relevant Code of Conduct of their employing body)

3 SETTING AN EXAMPLE/ PROFESSIONAL RELATIONSHIPS

3.1 All staff who work in schools set examples of behaviour and conduct which can be copied by pupils/students. Staff must therefore avoid using inappropriate or offensive language at all times.

3.2 All staff must, therefore, demonstrate high standards of conduct in order to encourage our pupils/students to do the same.

3.3 All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.

3.4 This Code helps all staff to understand what behaviour is and is not acceptable.

4 SAFEGUARDING PUPILS/STUDENTS

4.1 Staff have a duty to safeguard pupils/students from:

- physical abuse
- sexual abuse
- emotional abuse
- neglect
- FGM
- Radicalisation

4.2 The duty to safeguard pupils/students includes the duty to report concerns about a pupil/student to the school's Designated Senior Person (DSP) for Child Protection.

4.3 The school's DSP is *Kate Rimell/Carey Kelly*

4.4 Staff are provided with personal copies of the school's Child Protection Policy and Whistleblowing Procedure and staff must be familiar with these documents.

4.5 Staff must not seriously demean or undermine pupils, their parents or carers, or colleagues.

4.6 Staff must take reasonable care of pupils/students under their supervision with the aim of ensuring their safety and welfare.

5 PUPIL/STUDENT DEVELOPMENT

5.1 Staff must comply with school policies and procedures that support the well-being and development of pupils/students.

5.2 Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils/students.

5.3 Staff must follow reasonable instructions that support the development of pupils/students.

6 HONESTY AND INTEGRITY

6.1 Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

6.2 All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing procedure for schools.

6.3 Gifts from suppliers or associates of the school must be declared to the Headteacher, with the exception of "one off" token gifts from students or parents. Personal gifts from individual members of staff to students are inappropriate and could be misinterpreted.

7 CONDUCT OUTSIDE WORK

7.1 Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee's own reputation or the reputation of other members of the school community.

7.2 In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.

- 7.3 Staff must exercise caution when using information technology and be aware of the risks to themselves and others.
- 7.4 Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual's work performance.
- 7.5 Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.

8 CONFIDENTIALITY

- 8.1 Where staff have access to confidential information about pupils/students or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil/student.
- 8.2 All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil/student is bullied by another pupil/student (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupils'/students' parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.
- 8.3 However, staff have an obligation to share with their manager or the school's Designated Person any information which gives rise to concern about the safety or welfare of a pupil/student. Staff must **never** promise a pupil/student that they will not act on information that they are told by the pupil/student.

9 APPROPRIATE STAFF/PUPIL RELATIONSHIPS

- 9.1 Pupils and Individuals who work or volunteer in a school environment are in a position of trust. Staff should be mindful of the need to maintain professional boundaries appropriate to their position and must always consider whether their actions are warranted, proportionate; safe and applied equitably. Staff should act in an open and transparent way that would not lead any reasonable person to question their actions or intent.
- 9.3 We use physical contact with children in a careful, sensitive and respectful way. A hand on the shoulder or head is often a good way of engaging with an individual child. However, any physical contact should be avoided when staff members are alone with individual children, except in emergency. We adopt the principle that parents want their children to be given a certain level of physical reassurance if distressed, hurt or otherwise in need. This is the case for all children, but may be appropriate more frequently for younger children.
- 9.4 Relationships with students must be professional at all times, physical relationships with students are not permitted and may lead to a criminal conviction.
- 9.5 We are friendly and supportive to all children, but maintain our professionalism at all times. We acknowledge that some interactions that seek to 'be friends' with children can create ambiguity in the relationship and are unhelpful.
- 9.6 Contact with pupils must be via school authorised mechanisms. At no time should personal telephone numbers, email addresses or communication routes via personal accounts on social media platforms be used to communicate with students.
- 9.7 If contacted by a pupil or parent by an inappropriate route, staff should report the contact to the Headteacher immediately.
- 9.8 Staff should think carefully about their conduct so that misinterpretations are minimised.

10

SOCIAL MEDIA

10.1 Social networking sites offer the opportunity for communication with children, young people and their parents outside normal professional boundaries. School staff must take care to protect their privacy and protect themselves from risk of allegations in relation to inappropriate relationships and cyberbullying. Staff must not develop or maintain online relationships with parents or pupils through social networking sites, instant messaging or other media, whether this is through school or personal IT facilities.

10.2 Staff should not use personal phones and cameras to photograph pupils

11

DISCIPLINARY ACTION

11.1 All staff need to recognise that failure to meet these standards of behaviour and conduct may result in disciplinary action, including dismissal.

12

Monitoring and review

12.1 Governors will regularly monitor and review any breaches of conduct through the Headteacher's reports. A named governor participates in the school's training with regard to child protection procedures.

12.2 This policy is reviewed annually by the governing body.
