

SOUTH ASCOT VILLAGE SCHOOL

'Together We Have Strength'

South Ascot Village Primary School is committed to keeping our children safe. By providing a safe environment for children to learn and play and by identifying children who are, or may be, suffering harm, the school endeavour to ensure they are kept safe both at school and at home.

To achieve this, we have systems in place which are designed to:

- Create and maintain a safe learning environment.
- Identify child welfare concerns and take appropriate action.
- Use the curriculum to enable our children to develop keep safe strategies
- Create a listening culture to hear the child's voice
- Operate safe recruitment and selection procedures to prevent unsuitable people working with our children.

Anyone visiting the school shares the responsibility to keep children safe whilst on our premises and will be required to work within the guidelines of our safeguarding procedures.

If at anytime, you have concerns about the welfare of a child Miss Kate Rimell (Headteacher and Designated Safeguarding Lead), should be contacted. For more detailed information, please ask to see our Safeguarding and Child Protection Policy which is part of a set of policies designed to create a safe environment for our children. All of these policies are available on request.
